

## **CORRECTION OF ARTICLE ON THE WAVE SHEAF OFFERING**

In the article below on the Wave Sheaf Offering I show that the Passover of Joshua 5 occurred on the Sabbath of the 14<sup>th</sup>. Since this article was written I have engaged in an extensive study of God's calendar, basing the study on the progression of Sabbaths beginning with creation week and coming forward to the present time in increments of seven days.

This resulted in placing the Sabbaths of Joshua 5 on the 1<sup>st</sup>, 8<sup>th</sup>, and 15<sup>th</sup> of the first month, Nisian, meaning that the first Passover in the Promised Land occurred on Friday, the 14<sup>th</sup>, putting the Wave Sheaf offering on Sunday, the 16<sup>th</sup>.

Therefore it cannot be used as a proof text for the first day of Unleavened Bread, a High Day, and the day of the Wave Sheaf Offering occurring on the same day

When an error is found in what I have written I am committed to making the correction. With the exception noted above the remaining material in the article is biblically accurate.
