

The 1335 days of Daniel 12

The following chart will simplify what might appear to be a complex mathematical problem.

Year and date of Pentecost, Resurrection Gregorian. The number of days in that year Hebrew	Year plus number of days in that year Hebrew	Year plus number of days in that year Hebrew	Year plus number of days in that year Hebrew	Total number of days	Number of Days in Dan 12:12 (1335) minus total number of days from the previous years	Year of escape and it's length in days Hebrew	Number of days left in year of escape	Date of escape Hebrew Calendar	Date of escape Gregorian Calendar
